Welcome

Our boarding house at Copthorne Prep School is perfect for group bookings of children looking for exclusive use of a residential boarding house with the added facilities that come with staying in an independent school.

Your group will have sole exclusive use of the boarding house at Copthorne Prep School throughout your stay. With boarding for up to 50 children across two floors we can accept varying group sizes.

Our boarding house is available all year around in term time and in the school holidays. We can accommodate children up to age 13 in term time with no age restrictions in the holidays

Make use of the fantastic facilities including your own private classrooms, use of sports facilities including an indoor heated swimming pool, outdoor learning centre and climbing wall.

Accommodation

The accommodation at Copthorne Prep School has a total of 50 beds situated in the main school building across two floors. Set within the picturesque grounds of the school, the boarding house provides a comfortable and well-equipped space for pupils to call home.

Copthorne Prep School has separate boarding wings for the boys and girls and each has it's own dedicated lounge area. Pupils will benefit from a range of facilities, including spacious common areas and exceptional recreational facilities.

Bedrooms have between 2 to 6 beds per room and bathrooms are shared.

Adult accommodation for your staff is also provided.

Catering

We offer full board catering which includes breakfast, lunch and dinner. All meals will be served in the dining hall and prepared by an in-house Chef.

Pupils will be offered a varied and healthy menu with options from around the world, as well as staple British meals such as a Sunday Roast and Fish &Chips. All menus are nut free.

As well as a hot main course, a salad and fruit bar is also available for lunch.

Dietary requirements can be catered for as the schools' experienced catering teams have a wealth of knowledge and have been catering in schools for many years.

Sports Facilities

Other Facilities

Classroom learning

Our smart, private classrooms can be made available for your group visit if required. We have excellent classroom facilities in convenient teaching blocks.

All classrooms have a PC with direct connection to a large screen and white board.

We also have a dedicated IT suite for computer based learning which can be used. Advance notice will be required for this facility.

Wi-Fi can be made available with strict filtering due to safeguarding within the school.

Outdoor learning

As the world becomes increasingly digital and technology-driven, getting enough time outside in nature has become more important.

Children can spend time reflecting and relaxing in a hammock, while others enjoy adventures through the woods with a stick that has become a lightsaber, a sword, the nimbus 2000 or the beginnings of a fantastic woodland shelter.

Opportunities to cook, light fires, team build, construct, play, imagine and get muddy are bountiful in our outdoor learning area making it perfect to use on your visit here. As long as weather permits this area is available to use on your visit.

WildCats Activities

Why not take a a trip to Caterham School only 25 mins drive away and book your group onto an unforgettable experience on our impressive WildCats adventure course with the following activities.

Tree Top Adventure

An experience that will be remembered for a lifetime! Complete with wobbly crossings and culminating in a James Bond style zip wire finale, our tree top adventure is not to be missed! Guided by our experienced team of staff, you'll hop around the tree tops and won't want to come down!!

Leap of Faith

One of our most challenging High Ropes elements. Muster all your confidence and courage by climbing to a 10 metre platform in the trees before counting to three and jumping into mid air to catch a suspended target just a few metres away. A great activity to test your nerve!

Climbing Wall

Don't be left hanging while you tackle and gain confidence on our outdoor climbing wall. Our fully trained staff will guide you and your group according to their ability. For the more experienced there will be races to the top and back, with or without a blind fold.

Crate Stacking

The aim is to build a tower of crates as high as you can before it topples and comes crashing down! The challenge is that at least one team member must be stood on the top of the tower (in full harnesses of course!). The whole team is involved in building the tower and need to work together to support, lift and stack more crates for whoever is on the top to step onto. This is a fun and physical activity that will test your team building skills to the limit!

Jacobs Ladder

This is a giant swinging ladder of 6-inch beams. Three people attempt to climb as high up the ladder as possible. It is important to work as a team in order to make progress. This task is one of our most physical and involves an amount of strength, flexibility and agility. As the team climbs higher the challenge increases as the space between the rungs gets larger. The rest of the team are involved in holding the ropes and offering encouragement and help. The climbers can be lowered to the ground at any time. Not everyone gets to the top but everyone enjoys trying! Always a good giggle.

WildCats activity packages can be tailored for a half day or full day and can include all or a number of the above activities depending upon your group size and desired duration.

Contact

If you would like more information or to visit the School to see how your event or group booking could work here at Copthorne Prep School please get in touch.
